Admission Requirements for Masters Programmes *

Candidates must satisfy the following conditions:

1. Undergraduate degree from a recognized university, with at least a second class upper division or its equivalent, in a relevant field;
2. Certified copies of relevant certificates, transcripts (from university and high school), national I.D. card and passport personal details page;
3. Recommendation letters from 2 Professors
4. Clear colored passport size photograph (2cmx2cm);
5. Maximum age of 30 years for male and 35 years for female applicants.

*Candidates may be required to undergo a written/oral examination after pre-selection.

*Candidates for the Master in Conference Interpreting and Translation programmes are required to have excellent knowledge of at least two of the African Union's official languages (Arabic, English, French and Portuguese).

Admission Requirements for Doctoral Programmes

Candidates must satisfy the following conditions:

1. A Masters degree in a relevant field from PAU or any internationally recognized university;
2. Certified copies of relevant certificates, transcripts, national I.D. card and passport personal details page;
3. A 3 to 4 page research concept note (tentative title, research questions, objectives, significance of the research etc...)
4. Recommendation letters from 2 Professors
5. Clear colored passport size photograph (2cmx2cm);
6. Maximum age of 35 years for male and 40 years for female applicants.

The African Union Commission will offer full scholarships to the successful African candidates.

Scholarship awardees should be committed to working in Africa after graduation.

Reasons to join PAU

1. Excellent programmes taught by world class faculty;
2. A broad network of academic and professional partners on the continent and beyond;
3. Attractive scholarship scheme;
4. Joint degree awards from the Pan African University and its Host Universities;
5. Excellent career prospects in some of the fastest growing industries, with relevant career guidance; and
6. Vibrant, multi-cultural and Pan African learning and research environments.
